Entry Rules: We will accept entries postmarked on March 12, 2018, or later, until either the maximum number of runs per day is reached or the closing date of April 24, 2018, whichever comes first. Spaces in this trial will be allotted in postmark order, not in the order of receipt by the Trial Secretary. If more entries with the opening date postmark are received than the total number of slots available, priority entry will be given to a limited number of exhibitors who volunteer to help at the trial. The remaining slots will be drawn from randomly selected entries. Only 10 entries may be included in a single envelope; if an envelope contains more than 10 entries, all of the entries will be considered invalid. Any entry that is not accompanied by payment in full will be considered invalid. If you use express mail, check the box "Signature Waived". We have the right to refuse any entry. Anyone who is not currently in good standing with NADAC will not be allowed entry into the trial.

THE FACILITY MANAGEMENT & THE CLUB will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor, whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the show site. In such case, no refund of fees paid will be made.

PLEASE MAKE SURE YOUR DOG'S NADAC REGISTRATION NUMBER IS CORRECT

NOTICE TO EXHIBITORS

Below is a brief summary of NADAC rules. Please refer to www.nadac.com for a full explanation of all NADAC rules and up to date information.

Please note that NADAC trials should provide a safe and fun environment for both exhibitors and their dogs.

Aggressive dogs will not be tolerated and will be excused from the trial. The show committee has the right to refuse any entry. Anyone not currently in good standing with NADAC will not be allowed to enter this trial.

Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and relevant CAT policies, and agree to abide by all rules in effect at the time of this trial.

No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

Checks not honored by the bank do not constitute a valid entry fee. There be a \$25.00 service charge for bank returned checks.

**Dog must be registered and have a valid registration number before entries will be accepted. <http://nadac.com/afm/dogregfrm.asp>

A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: www.nadac.com

- All dogs must be on leash when not competing in the ring.
- No leads, collars, food, toys, or other aids or devices will be permitted on the course at any time.
- There will be no refunds in the event that a dog and/or handler are dismissed from competition, regardless of the reason for dismissal.
- 100% of entry fees will be refunded if requested before the mail-in closing date. After the mail-in closing date, injured or ill handlers or injured, ill or in-heat dogs will receive a refund, less a \$30.00 handling fee. Verification from a doctor or vet may be requested.
- Running order will be determined at the club's discretion. An attempt will be made to separate runs for handlers with more than one dog in a class.

Non-Jumping Classes–Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in the Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Prizes and Awards:

Qualifying runs & placements: Placements ribbons will be awarded to at least fourth place in each jump height for each class (through sixth place for Novice), in each category, except Chances which is a pass/fail class. A purple qualifying ribbon shall be given for each qualifying round in each class.

IMPORTANT INFORMATION FROM NADAC

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

SKILLED & PROFICIENT CATEGORIES

Dogs must be entered in either the Skilled or the Proficient category. A dog may not be entered in Skilled one day and Proficient on another day. If you enter the Skilled category, you **must** run your dog at one jump height lower than its standard jump height. Dogs are allotted the standard course time for, and are scored and placed in the jump height entered.
