

Dear Friend:

Please accept this invitation to partner with the East Texas Peace Officers Association (ETPOA) as a sponsor or exhibitor for our annual Training Conference and Awards Ceremony June 25-27, 2023, in Nacogdoches, Texas. Our membership consists of law enforcement and support personnel from numerous federal, state, and local agencies throughout East Texas. As preparations are made for the 2023 Training Conference, we want to make high quality training available and affordable to law enforcement officers that live and work in our communities. During this three-day event our members will have the opportunity to attend world class training and exchange valuable information through networking opportunities, plus participate in spouse/family activities. This conference allows us to recognize outstanding accomplishments by area award recipients and honor scholarship recipients. At a time when agencies are facing staffing shortages, increased travel costs, and limited budgets, your support is more important than ever.

Formed in 1951, the ETPOA is the oldest and largest regional peace officers' association in Texas. For the Past 72 years the ETPOA has assisted officers and agencies by increasing interagency collaboration and providing quality training opportunities. This event brings attendees and their families to our town and promotes our local economy and businesses.

I am honored to serve as President (2022-2023) and be the first female president in our storied history. I have been a member of the ETPOA for more than 20 years and know firsthand how valuable this organization is. I am humbly asking for your support as an exhibitor or sponsor to make this conference a success, as follows:

- A limited number of exhibitor booths are available for industries and businesses that have an interest in law enforcement, public safety, emergency management or related fields. *If you are interested in partnering as an exhibitor please complete the enclosed form.*

Sponsors and exhibitors will be recognized on the ETPOA website and onsite during the Conference.
