NEFDA President

I.

Purpose

The intent of these Standard Operating Procedures is to provide Dispatch Centers with the information to request Northeast Fire Department Association Specialty Teams and Resources.

II.

Teams and Resources

- A. Specialty teams - Bomb, Hazardous Materials, Swift Water and Technical Rescue.
- B. Special Resources consist of the Air & Light Vehicle, Mass Casualty Vehicle and the Mobile Decontamination Vehicle.

III.

Needed Information to Provide to the Specialty Teams and/or Resources

Provide the following details to the Dispatch Center listed below:

- 1. Nature of the incident.
- 2. Address and Mapsco number.
- 3. Radio channel the incident is operating.
- 4. Telephone number of a contact on scene.
- 5. Any other pertinent information such as a rescue or body recovery; or if victim is floating away or stationary.
- 6. Emergency or Non-Emergency response.

IV.

Requesting the Team or Resource

Bomb Team (EOD 22)– Contact NRHW at 817-281-1000. The Bomb team will contact the requesting agency via telephone or radio. NERT (Northeast Emergency Response Team).

Hazardous Materials- Contact NRHW at 817-281-1000.

There are two types of responses for the Hazardous Materials Team; the requesting agencies' Incident Commander should make the Level 1 or Level 2 request.

- In a Level 1 response both North Richland Hills HM22 and Roanoke HM66 will respond to the requesting agency.
- In a level 2 response NRHW Alarm will call the following agencies Alarm office by phone to respond their on-duty hazardous materials technicians: Bedford, Colleyville, Euless, Keller, Richland Hills, Roanoke, Southlake, Trophy Club, Watauga, and Westlake.
- The Hazmat team will operate on **NRHW Fire 7**

Swift Water Team - Contact NRHW at 817-281-1000

- The Swift Water Teams will operate on **NRHW Fire 7**

Technical Rescue Team - Contact NRHW at 817-281-1000

- The TRT team will operate on **NRHW Fire 7**

Air and Light Vehicle – Contact Bedford Alarm at 817-952-2127

Mass Casualty Vehicle – Contact Euless Alarm at 817-685-1520

Mobile Decontamination Vehicle – Contact NETCOM at 817-743-4522

Mobile Command Post – Contact Bedford Alarm at 817-952-2127
