

Badgley Mischka was conceived through the fusion of the elegantly creative geniuses of Mark Badgley and James Mischka. This amazing duo met in 1988 while attending Parsons School of Design in New York, and has been an unstoppable force since. Having been noted as “One of the Top Ten American Designers” by Vogue, their influence and inspiration on the fashion industry has not gone unnoticed.

Though they began designing under their label in 1988, it was not until 1993 that their first line of bridal gowns was launched. Their gorgeous bridal gowns are fantasies come to life for women of all ages, looking to seal their perfect day with the perfect dress. Inspired by the Hollywood glamour of the 40’s, Badgley Mischka bridal gowns have gorgeous lines, delicious fabrics, and tasteful embellishments, which only serve to further enhance the beauty of each individual gown and its wearer.
