Once in De-cem-ber mag-ic was hap-pen-ing out in the win-ter

air. Bells start-ed ring-in' and folks start-ed sing-in' and rein-deer were ev-'ry where!

Snow-balls fly - in' left and right, I saw an an - gel or two. Fall-ing stars lit

up the night I e-ven saw an elf, it's true! You say you saw an elf? Ya - hoo!

Once in De-cem-ber chim-neys were bil - low-ing, smoke cir-cling in the sky.

Look! There's a can-dy cane fill-ing a win-dow pane, e-ven saw a rein-deer fly!

Folks eat-ing lat-kes left and right, and light-ing can-dles too! Fall-ing stars lit

up the night, I e-ven saw an elf, it's true! In fact he looked a lot like

you! Who, me? Yes, you! I think he looked a lot llike you!
