

Reflections & Updates from our Treasurer, Jack Knepp

FOPH has been busy! First, the sustaining membership drive is going very well. Many members made donations. Some committed to a new level of donating and some committed to continuing their current level of donating. All are extremely appreciated. We received approximately \$6,800.

Secondly, we donated \$2,000.00 to the Raising Haiti Foundation. These funds were used to purchase hand washing stations and masks and to provide education regarding Covid-19 to the Trouin area.

Thirdly, in conjunction with the Nativity Church in Burke, Virginia and Food for the Poor our \$2,000 donation was matched in order to provide \$4,000 worth of food to St. Anne's Parish in Trouin. The food has been received. Fr. Charles is in charge of distribution and said the Trouin community is very happy.

Fourth, we are in the initial stages of researching ways we can significantly increase our impact to our brothers and sisters in the Trouin community We will keep you posted regarding these developments.

FOPH is committed to spending your donations as wisely as possible.
