SIP N' LEARN

OCTOBER Thursday 11/12 at 8:00 pm

Join Zoom Meeting:

Come Sip N Learn virtually from the comfort of home - this month we will get to hear from a local Elderberry Farm owner, Ashley O'Hara (her family pictured to the right). Ashley's family owns Wet Wood Farm in Goshen. She is a stay at home mom who is currently homeschooling her 4 year old son as well as running this family business. She will explain what Elderberry is, why you may have heard about it as a natural remedy, how to properly use Elderberry, and the benefits of use. Ashley will also be raffling off a 16 oz jar of Elderberry Syrup for those who join! Here is a picture of a Holiday Gift Basket her farm can also put together for you (Including Elderflower bath bombs and Elderberry Spice Package).
