

Kyle Hunnicutt

Certifications:

- ISA Certified Arborist, SO-7251A
- Swiftwater Rescue Technician, HMR
- Rope Rescue Technician, HMR
- NASAR SAR Tech II

Background:

In 2008, I worked as a whitewater rafting outfitter and guide in North Carolina. Since January of 2009, I have worked commercially in the tree service industry as a tree climber. I started my own tree care company and became a certified arborist around 2015.

Recreationally, I have spent my life canoeing, rock climbing, backpacking, and hunting. These experiences have motivated my pursuit of rescue knowledge and driven my desire to assist those who need help.

Search and Rescue Experience:

I joined the Carroll County Special Operations Rescue Team in 2014 and I am currently the Training Officer for CCSORT. I have assisted in numerous searches, high angle, and water rescues/recoveries as a team member and team leader.
