Flatbed Scans Fragile and non-standard sizes
<ul style="list-style-type: none"> Items that require special handling, such as fragile, sticky or thick items, or are less than 2.5x2" or greater than 8x10" up to 8.5x14". Scanned on a Kodak professional flatbed scanner. 50¢/60¢ (300/600 dpi) per side.

***COPYRIGHT:** We cannot scan photos for which you don't own the copyright or have the "right to print" (e.g., school & wedding photos) without the written permission of the copyright owner. Please don't include them in your order without the signed permission.

Additional Services
<ul style="list-style-type: none"> Printed photo and digital organization help and training Photo storage solutions

Each Premium scan package includes:
<ul style="list-style-type: none"> Scanning loose, standard (non-fragile/no thick backing, 2.5x2" up to 8x10") photos, Polaroids, postcards (writing side only) and some documents. Both sides scanned, if requested, to preserve the treasure-trove of information on the back side that might otherwise be lost. Auto color/brightness/contrast/sharpening enhancement.¹ Images rotated to proper orientation. One standard CD or DVD² of your JPEG files OR web upload for instant sharing. If additional discs are required to complete your order, you will be charged \$8 for each. Flash drives available. See Add-ons. BONUS: Digital thumbnail album that shows all your images with file name for easy reference.
<p>¹ Your original scans will never be compromised. You'll get a copy of the original scans & a separate copy of the enhanced version. Ability to enhance photos is limited by the level of fading or degradation of the original photo. Red eye removal is not included. ² Can be viewed on a computer and some DVD players. We cannot guarantee that the CD/DVD will work in your player.</p>

TERMS OF SERVICE

Archival Service: Shoebox Photo Scans LLC ("SPS") is an archival service and does not take any ownership in submitted content ("Content") of the ("Client"). As custodians of a Client's Content, SPS has agreed to take physical possession of Client's Content for the sole purpose of making a digital or electronic copy of the Client's Content. At the conclusion of service, SPS will return all Content and digital copies to the Client. SPS does not retain any ownership over Client's physical or digital copy.

Client's Ownership of Content (Copyright): We cannot scan photos that have a copyright without the written permission of the copyright owner. This includes portrait or professional photos, whether they contain a copyright notice or not. Being in possession of or owning the photo is not the same as owning the copyright to it. Failure to obtain permission to reproduce may subject Client to prosecution under Federal Copyright Laws.

Client May Not Submit Illegal/Illicit Content: Client's submitted content cannot be either illegal to reproduce or contain illicit material. SPS retains the right to reject in whole or in part any portion that SPS has a good faith belief does not conform to this agreement. An illustrative list of content: material that is threatening, profane, abusive, deceptive, pornographic, obscene, defamatory, slanderous, offensive, or otherwise inappropriate. Further, SPS will not process Content that advocates illegal activity or harms minors in any way. SPS reserves the right to report to law enforcement authorities any Content that may be illegal. SPS will cooperate fully with law enforcement agencies in any resulting investigation.

Limitation of Liability and Indemnification of Shoebox Photo Scans LLC: Client agrees that SPS does not warrant or make any guarantees about its services. Client further agrees that SPS cannot be liable for the loss of any Content by a third party agent of Client, common carrier, or natural acts beyond the control of SPS ("Acts of God"). In the event that SPS destroys, damages or loses Client's Content, intentionally or unintentionally, the sole remedy available to Client is replacement of an equivalent amount of unexposed equivalent film or electronic media plus processing. Client also agrees to indemnify and hold harmless SPS for any loss or damages arising from transporting, processing or returning Content. Client will pay or indemnify SPS, affiliated companies, employees or agents for litigation costs of any claims arising out of Client's improper submission of Content, whether by the Copyright or other laws of any nation.
