Missionaries to the Local Churches of America

November/December Update

Dear Pastor and Church Family,

"I thank my God upon every remembrance of you, always in every prayer of mine for you all making request with joy. For your fellowship in the gospel from the first day until now; Phillipians 1:3-5

The new year is already upon us and we are so excited to announce that we have completed our deputation! God is faithful and has met our every need. He has blessed us richly. God has sustained us through the giving of his precious people. We are so thankful for the love, kindness, hospitality, and friendship extended to us by our brothers and sisters in Christ as we have been on this journey.

The end of 2019 has been quite busy for us. In November, I preached and presented the ministry in three churches in Texas, attended a Church Planting Conference, as well as a Beams Conference. We love the Beams ministry and were excited to be able to have a small part in sending God's Word across the world. From Texas we traveled to Maryland for a missions conference at Gospel Light Baptist Church. We were able to go soul winning during the week as well as present our burden for churches in the United States during one of the evening services. We enjoyed delicious meals and fellowship with the dear members, the pastor and his family and the other missionaries. We are overjoyed that Gospel Light added us to their missions family! From Maryland we traveled to North Carolina to preach and present the ministry in two churches there. We also attended a one-day conference with Archie Davis in a nearby city. We ended the month by traveling to Alabama; preaching and presenting the ministry in two more churches before heading to Florida.

In December, I presented the ministry in two churches in Florida before driving back to Texas. While back in Texas we were able to spend some time in our home church. Ginger's parents decided to move out of state so we were able to help them load up their moving truck. A few days before Christmas, we drove the truck to their new destination and helped them unpack and get settled in their home. It was great to be able to spend the holidays with family; something we had not been able to do much of while on deputation. We do not take these special times with loved ones for granted!

During Christmas we received many extra love gifts and cards from some of our ministry friends and supporting churches. Our hearts were blessed! It is such an encouragement to know that others are thinking of us and praying for us. We just want to thank you again!

We are excited to begin this new phase of ministry. Our schedule is full for 2020, and we are looking forward to seeing what God will do in and through us. Please continue to pray for health and safety as we travel and as we minister and strive to be a blessing to churches in need. Our time here is short. **It is imperative that we strengthen our existing churches and plant new churches; all for the purpose of spreading the Gospel to those in our own country and ultimately around the world!**
