This years clubs Christmas party was a good time at the Paso Golf Club. The venue was beautifully decorated and a meal of turkey, potatoes, vegetables, and rolls were on the menu. Judith had a blind auction gift in which she matched the moneys raised and donated to ECHO.

Saturday, March 2nd the club will be holding a “try driving and see if you like it” day at Ann McClure’s in Arroyo Grande. Members will be bringing their beginner friendly equines (from mini to draft) to let other members and non members, who don’t have a horse, get the opportunity to take one or two for a spin. Come on out to enjoy the day.

Have a great 2019!

~Lilla

ADS Recreational Driving Recognition Program:

Do you love to drive your horse, but don't want to compete in shows? Or, do you enjoy showing but would like to get "credit" for all the time that you spend driving in preparation for showing?

The American Driving Society (ADS) has a great program that recognizes your time spent in the box. It is open to members of the ADS and is completely on the honor system. Simply record the time spent in the carriage (they do have a log that you can use to record time) and get recognized for driving 100, 250, 500, and 1000 hours! These hours roll from one year to the next so you don't have to do it all in a year.

In November, turn in your hours (for each milestone) and be recognized in the ADS's beautiful magazine, "The Whip," January edition, and receive a lapel pin with the hours displayed.

These hours are hours spent driving "recreationally" and time spent showing should not be counted (though, they aren't checking where the hours come from and sometimes ADS gives contradictory information).

For more information check out The American Driving Society website.

Brass Oak Driving Society has a Facebook Page! Please like our Page if you are a Facebook person. If you aren't a Facebook person, you can still view the page by going to www.facebook.com/brassoakdriving/. It is a work in progress but the idea of it is to be one more place to reach current and prospective members. Content will include club event announcements, other driving events in the state, and a place for club members to post photos of their latest horse escapades. There is also a link to the clubs website so that prospective members can find out more information about the club.
