Call for Artist Submissions for Sunset Vision's 3rd Annual Art Show & Sale

Sunset Vision is calling for entries for its 3rd annual Art Show & Sale fundraising event. All artists are invited to submit their best 2D and 3D work that challenges and inspires the way we see our beautiful coastal surroundings, whether through geography, people, personal, historical, or otherwise. This year's theme is "Coastal Visions."

"This is our third year for the show," says Melissa Warren, Sunset Vision board member. "We've got some exciting new things happening at this year's show, including the Tiny Art show. It's like a show-within-a-show where artists in the show who would like to participate can display their tiniest, masterful talents."

Also new this year is an online gallery. Each artist submitting work will be included on the Sunset Vision website. This gives artists even greater exposure and an additional opportunity to showcase their work.

All work will hang for three days in Triple D's Hemi Haven Chrysler and DeSoto Classic Car Showroom at 7011 Beach Drive, Ocean Isle Beach. Art can be viewed on Thursday, June 20 from 4:00 pm to 6:00 pm during the opening awards presentation, on Friday, June 21 from 6:00 pm to 8:00 pm at the official fundraising reception, and on Saturday, June 22 from 10:00 am to 1:00 pm.

"We had record crowds at last year's opening awards night and reception," says Warren. "We can't wait to be elbow-to-elbow again at this year's show.

The deadline for applications is May 31, 2019. This year, cash awards of $200 will be presented to each category winner. Details and application are online at www.sunsetvision.org.

About Sunset Vision
Sunset Vision is a group of diverse, caring citizens who are working to enhance the Sunset Beach experience for residents and visitors alike. Our mission is to enrich the community by funding and maintaining amenities and features that promote nature, education, enjoyment, business, accessibility, and volunteerism in order to make the Sunset Beach experience more interactive and more rewarding.
