

**March 1, 2023**

**Dear Beth Judah Congregants, Members, Friends and Guests,**

**Beth Judah Temple is proud of its long history of serving members, friends, and visitors to Cape May County through in person worship services and programs. Options to participate remotely via Zoom or live stream were implemented over the past 2 years to accommodate all levels of risk of exposure to COVID by those wishing to join our services.**

**The Health & Safety Committee, along with the Ritual Chair, have adopted the following protocols for those who attend services and programs in person:**

**At this time, Beth Judah Temple considers mask wearing a personal choice and it is not mandatory. However, we respectfully request anyone who believes they have had exposure to COVID or is suffering from a respiratory illness to attend services remotely, or remain masked while at Beth Judah. In order to protect those more vulnerable, we also highly suggest that those who are not immunized be masked. Our seating arrangements allow for social distancing, and we appreciate those in the sanctuary respecting the space of those who have chosen to sit apart.**

**For those who chose not to attend services in person, for whatever reason, Beth Judah has installed live streaming in the sanctuary. All in person services and many programs are live streamed via our Facebook site. You do not need to have a Facebook account to live stream. Simply go to Beth Judah Temple - Wildwood, NJ | Facebook and shortly before the service start time, you will see a box with "video". Should you have difficulty or questions, contact our office weekdays for step by step instructions.**

**We have also implemented a Meet and Greet policy to welcome everyone as they enter the building. We appreciate your cooperation in introducing yourself to the greeter, and taking a name tag so we can all get to know one another.**

**We look forward to seeing you either in person or virtually! Be safe and well,**

**Sincerely,**

**Morey Edelman President  
Dr. Brian Altman, Dr. Richard Goldhammer, Dr. Scott Maslow  
Health & Safety Committee  
Sid Levinson, Ritual Chair**
