

LAC DU BONNET COMMUNITY CENTRE
REDUCED RATE - APPLICATION FORM

Date Submitted _____

Submitted By _____

Overview and Process

The Centre would like to make hosting events more feasible to groups that are fundraising for a cause/initiative or who are just trying to create affordable social opportunities for the community. As such, the Lac du Bonnet Community Centre has implemented a "reduced rate" system which entitled groups fitting the criteria outlined below a **25% reduction off the primetime rate**.

The user group must provide the Centre with some information about your event by completing the application section below. **For your event to be considered for the "reduced rate" it must meet the following criteria:**

- **A public event that is advertised and open to the public to attend**
- **Benefits the community**
- **Brings community people together**
- **Any revenue made from the event must be used for a) recouping event costs, b) future community initiatives; or c) a charitable cause that will have a positive benefit to the community.**

The Centre Board will review the application and inform you of their decision within 6 weeks. If the application is successful, **the Centre must be promoted as a sponsor of your event**. The use of the Centre's name and/or logo must have prior approval by the Centre.

1. Contact Name, Address and Phone Number: _____
