Description

This is our next generation device with all new updated complex waveforms and Four virtual hyperchannels emitting resonant signals to encompass a more complex configuration of biological signals, more accurately than previous versions promising far superior results for the following conditions. Results are virtual instant and lasting, often from only one treatment and they can be permanent after a certain number of treatments depending on age and lifestyle.

- Face Lift

- Complexion retexturing -- Advanced
- VAGINAL REJUVENATION -- Advanced
- HAIR GROWTH -- Advanced
- Rejuvenation for face, neck, eyes, hands, decolte, knees and other body parts of choice
- Thickens the thin area around eyes and mouth -- Advanced
- Pain Relief (Carpal Tunnel, Sciatic Pain)
- Facial / Topical Detoxification
- Acne Treatment
- Rosacea Treatment
- Skin Lightening
- Pigmentations Treatment -- Advanced
- Stretchmarks Treatment -- Advanced
- Wounds -- Advanced
- Diabetic Wounds
- Herpes. -- Advanced
- Inflammatory skin disorders - Advanced
- Scars
- Acne scars
- Relief from BACTERIAL INFECTIONS (including Vaginal infections)

Accessories that come with the Device: Hand held leads with handles and surgical steel designer round metal plates. Perfector conductive Gel.

Consumables: CONDUCTIVE GEL

Company Policies for Distribution

1. All Distributors can sell everywhere in the world EXCEPT areas where the terms of an exclusive distributorship have been fulfilled and that area has an exclusive Distributor
2. No one can sell within an exclusive distribution area without that area's exclusive distributor's written permission.
3. Any person or company selling within an exclusive area without that area's exclusive distributor's written permission shall lose their life warranty for all the unauthorized devices sold.
4. a)The Company shall not sell to anyone with an address within an exclusive distribution area with the exception b) of another distributor with multiple businesses including an address in an exclusive area who is only authorized to sell outside the exclusive area.

5. The Company will attach a list of authorized exclusive distribution areas with their respective exclusive distributors and will inform all buyers that selling in an exclusive distribution area will result in their life warranty loss for all devices sold within a given exclusive distribution area
6. A Distributor can become exclusive for an area (a city, a state or a country) if the distributor fulfils all the terms of an agreement and completes the entire purchase required for exclusivity
7. The Company may contractually allow a time frame within which the distributor can fulfil the terms of the exclusivity. Until the distributor fulfils all the terms of exclusivity this distributor is not an exclusive distributor.
8. The company always has the right to meet and discuss distribution options with prospective distributors that could potentially take over distribution areas where a distributor has only fulfilled less than 25% of their agreement.
9. ALL DISTRIBUTORS MUST USE THE SAME PRICE LIST OFFERED BY THE COMPANY BELOW FOR THEIR CUSTOMERS AND SUBDISTRIBUTION AREAS TO MAINTAIN A SIMILAR PRICE RANGE AROUND THE WORLD
10. Shipping is additional for everyone. No exceptions
11. Customs and other government agencies are the customer's responsibility. The distributor needs to make all arrangement for the reception of the devices the distributor purchases
12. Getting funds outside a country with restrictions like China, for example is the distributor's responsibility
13. Discounts can only be provided when orders are made and received in a timely basis.
14. A minimum of 50% deposit is required with all large orders at the time of ordering
15. The full price of devices must be remitted PRIOR to any device leaving our manufacturing facility
