Agate Baseball Heads To Playoffs

By John Sandstrom

When head coach Tim Bott and I spoke early in the season, he said the Agates intended to be aggressive on the base paths and at the plate. The Agates began playoffs earlier this week after finishing second in the Polar League with an overall season record of 11-6.

Bott says, "We have learned to recognize situations as they happen and we eliminate them from happening again. Recently, we scored on a safety squeeze twice in a row. This is new for us and represents progress for our team." The eighth-seeded Agates faced the ninth-seeded Rush City on Tuesday, May 31st in Proctor, with the winner likely facing number one seed, Esko. "Brien Jones has been our leader at the plate where he has hit .440, and on the mound, so it is up to him to lead us to our first win."

Once the Agates get into double elimination, they believe they have as good a chance as

anyone. "Caleb Waldron has hit .327 with thirteen rbi's, six doubles, two triples and a home run, so he has hit as well as anyone in the section. We hope he continues to hit in the playoffs."

Coach Bott and I hope to continue our discussion later this week which means the Agates will stay alive in the 7AA playoffs.
