

ADDITIONAL BULLETIN INFORMATION

March 17, 2019

CSA Update: St. Cyril and Methodius Goal: \$3,800. Total received: \$4,050. 107% of goal pledged. Thanks to all the parishioners of Sts. Cyril and Methodius for your great generosity in carrying on the mission of the Church.

In Christ,

Rev. Darrell Kostiha

Due to the fact that Sts. Cyril and Methodius has only two Masses during the week, it cannot keep up with the abundance of Mass intentions coming in especially after a funeral. A possible solution to our dilemma is that we add two more names for every mass said making it a total of three for every Mass and being understood that all three names will be announced at mass. If this solution is agreeable to the majority, we will try to implement this practice in the near future. I will also announce this at mass, so I can get your feedback.

Thanks,

Rev. Darrell Kostiha

Dear Parishioners of Sts. Cyril & Methodius:

It has been the practice in the past for parishioners to donate funds to the Altar Society for the cleaning of the church. The Parish Council put forth the motion that going into the future the parish would assume all fees with the cleaning of the church. I approved the motion and it has been effective as of February 2019, with the understanding that the Altar Society is no longer assuming this responsibility. Any funds already donated to the Altar Society for the cleaning of the church will be used by them for the ongoing upkeep of the church's altar linens, the church's sacramentals, and etc. This notification is simply to clarify any confusion there might be with the transition and to help you stay informed as we move forward. I sincerely appreciate your generosity and dedication past and future for keeping Sts. Cyril and Methodius a beautiful church.

Sincerely in Christ,

Rev. Darrell Kostiha
