On-going Church Restoration

Work on the foundation under the bell tower was completed to the point that we're getting ready to re-build the deck and porch entry. We need help from volunteers with construction skills and to provide building material. Our lead builder, Rodney Ivie, is ready to begin this phase and at Pioneer Day you can meet and talk with him inside the church. Or call the numbers below.

If you're interested in helping build, donating materials, or volunteering for Pioneer Day contact Kit at (530) 743-0413 or Kathy at (916) 838-2757. We also need a gold miner at Pioneer Day!

Sat. April 28

Attending Pioneer Day in 2012 assures you of an enjoyable day, while helping to support our historic Smartsville Church restoration. In the center of town and full of gold rush history--complete with entertainment, historic mining tours, inside viewing of the church, activities for children, craft vendors, and good food--you can't go wrong with our family friendly day.
