PUBLIC COMMENTS – VISITORS

Joe Grice addressed the Commissioner with his concern about the wording associated with an ordinance relating to dumping on city property. He feels there should be wording included, either in the existing ordinance or a separate ordinance written, detailing the procedure of serving notice of a violation and fine, as well as an appeal process. Mr. Grice distributed to the Commission an example of what he feels would work in this instance. The Commission will place this item on a future meeting agenda for discussion.

Peggy Stinson remarked that Trick or Treat night was just a mess. So many cars, with inappropriate parking, and pedestrian traffic made it a safety issue for the City. Sheriff patrols before the start time could possibly help in the future.
