Office of Attorney General Bill Schuette  
ATTN: Barb Teszlewicz  
525 W. Ottawa Street  
7<sup>th</sup> Floor  
Lansing, MI 48909

Dear Attorney General Bill Schuette,

I am hereby requesting a formal Opinion of the Attorney General of the State of Michigan as to the enforceability of MCL 750.539d as it relates to the installation of Advanced Meters as used by multiple utilities.

This request comes on behalf of constituents of mine, John and Pauline Holeyton, and as such it is my duty as State Representative to bring the concerns of the residents of the 36<sup>th</sup> District to the appropriate venue, in this case it is a Formal Opinion of the Attorney General of the State of Michigan. I have included in this correspondence their request to my office along with their supporting documentation.

As *time is of the essence*, I would appreciate a speedy turnover of this request, as my constituents are within a 30 day window of time according to DTE Energy for shutoff of service. I would like to get them the answer they are requesting as to whether or not MCL 750.539d is enforceable in this matter.

If you have any questions please direct them to my office via phone at 517-373-0843 or via e-mail at [PeterLucido@house.mi.gov](mailto:PeterLucido@house.mi.gov). I thank you for your anticipated cooperation in this matter, and I therefore remain,

Respectfully,

Peter J. Lucido  
State Representative  
36<sup>th</sup> District
