SARNIA SECONDARY SCHOOLS ATHLETIC ASSOCIATION

1963

TRACK CONVENOR'S REPORT

A very successful Track and Field meet was held on the new cinder track at Central on Tue 7 May and Wed 8 May 63.

The attached total result sheet shows how the schools finished and gives the names of the contestants winning each division.

This was the first year for the new cinder oval and the coaches, athletes and officials had great praise for the new facilities. Two Junior records, 8 Intermediate, and 6 Senior records were set.

Sarnia athletes competed in the Kennedy Relays held at Windsor on Sat 11 May 63. Our Intermediate and Senior milers and Senior Relay team did exceptionally well.

The WOSSA meet was held on Sat 18 May 63 in London. This is the first year that the A & AA classification has been dropped and it is now called the WOSSA Championship Meet. Congratulations to Northern on winning the WOSSA Senior and Intermediate team titles. Sarnia Intermediate and Senior milers set records and an Intermediate High Jumper tied the WOSSA record.

Sarnia athletes went to the OFSAA meet at Ancaster on Sat 25 May 63 as representatives of WOSSA. The Northern Senior Relay Team broke both the Ontario and the OFSAA records in the Senior Open Mile Relay event with a very fast time of 3:28.1 The members of this team were Steve Wormith, Ian Sommerville, Dave Cranmer, and Keith Coates.

Many thanks to the Officials who helped run this year's meet and to the Officials of the Board who arranged for the physical facilities needed to conduct the Meet.

Congratulations to the coaches who turned out such fine athletes. You have shown that our athletes are among the best in the province because this is the second year in a row that Sarnia athletes have set Ontario and OFSAA records.

We look forward to bigger and better things for 1964 as Track and Field is very definitely on the upswing in Sarnia.

Dates for the 1964 meet are Tue 5 May and Wed 6 May 64. The WOSSA date is Sat 16 May 64.

Track Convenor for 1964 is Mr. L. Donohue of Northern.
