

FRONTIER ASSOCIATION

Winter 2019 NEWSLETTER

BOULEVARD UPDATE

This fall, Dahlkempers performed a cleanup consisting of pruning, edging and weeding. The board decided to forgo the staking of the end caps for this winter. We are still waiting on the replacement trees promised this past summer. The spring project will be the annual cleanup consisting of edging, weeding and mulching.

CHRISTMAS PARTY

This year's party was a great success! Even though we had rain instead of snow, all who attended had a ball. Many thanks to all who came, rode, and brought treats. Thanks also to all who put out luminaries and decorated their homes. Because of the great numbers, going forward the date for this event will be the Thursday before Christmas.

DECORATION WINNER!

The winner of the first annual Frontier Christmas Competition is... 423 Shawnee!
Congratulations to the Bloomstines for a beautiful display!

2019 ASSOCIATION DUES

By now you have received your invoice for 2019. Thanks to our treasurer for making the invoice more reader friendly. As you recall, the dues increase was voted on at the meeting last year so annual dues are now \$75. You may pay by check or via Paypal on the association website
