Mudge's business was transferred to Mr Thomas Perkins during Pike's apprenticeship. In 1719 William Pike founded his brewery in an old brewhouse at 19 High Street called the Antelope. This was built in 1670 by Mayor John White. There were originally three public houses: 1 The Blue Anchor, Mill Gate. Later called the Elephant and Castle. Licence transferred to the Elephant and Castle in Sultan Road when the Government extended the fortifications. 2 Butchers Arms, Bishop Street 3 Joyners Arms, College Street. Now the Old Royal Oak, built by William Mudge in 1705. In 1747 Pike bought Messrs Ribouleaus's
