

REQUEST TO PARK PROHIBITED EQUIPMENT

Name _____ Email _____

Street Address _____ Phone _____

Start Date _____ End Date _____

Please explain reason for request (construction, renovation, landscaping, or maintenance) and be as specific as reasonably possible

The Golden Hills Property Owners Association Declaration of Restrictions, Article III Section 4, specifically states:

“No motorcycle, boat, trailer, camper, travel trailer, recreational vehicle, mobile home or other motor vehicle shall be regularly parked or maintained on any lot except in an enclosed garage. No commercial vehicle of any kind other than one operated by a vendor providing delivery or temporary services to the premises shall be permitted on any lot at any time. No vehicle may be parked in street overnight. No more than two vehicles may be parked or maintained regularly on any property.”

We understand, however, that from time to time a resident might have need to temporarily park one of these prohibited vehicles on their property to support a project or to perform some kind of maintenance or care of the vehicle. In order to accommodate these needs and at the same time provide a mechanism for the Association to monitor them and prevent abuse of these provisions, the Board of Directors has authorized a permit process to grant a temporary exception for a specific reason and a defined period of time.

Please complete this form and send to the attention of the Design Control Committee at the address at the bottom of this page or better by email attachment to designcontrol@ghpoa.org. Please allow at least 72 hours prior to the start date to receive written approval or disapproval.
