

# HAPPY RAMBLERS MOTORCYCLE CLUB

## 2022 MEMBERSHIP APPLICATION & INFORMATION PACKET

### 1. Overview

The Happy Ramblers Motorcycle Club welcomes your interest in or return to our organization. Our club is chartered by the **AMA**, American Motorcyclist Association, and has a rich history of motorcycle riding and racing. You may think the name "Happy Ramblers" seems like a very dated name for a club today, but we are all very proud of our heritage and accomplishments and would not think of changing it! For over 80 years, motorcyclists have enjoyed riding together, and developing what is known as the "Happy Ramblers Motorcycle Club." Our club is fortunate to own 20+ acres of property, a clubhouse, and equipment, all for the purpose of maintaining a recreational, educational, motorcycling facility.

Being a member is not a free ticket to ride at the track, but a commitment to being part of our club. We offer two types of memberships: paid and working. A working member is the life blood of the club. They keep the gates open by operating and maintaining the facility throughout the year. The money generated at these events goes back into the operational cost of the club (mortgage/taxes/equipment/etc). Unlike other racetracks, all monies generated throughout the year go directly back into the facility.
