Example of Prices for Child Care

Surcharge for Full Subsidy Parents

Infants:	\$30	\$8.00
Toddlers:	\$28	\$8.00
Preschooler:	\$25	\$6.00
Schoolage (full):	\$24	\$6.20
Schoolage (2/3rds)	\$17.00	\$5.20
Schoolage (1/3 rd)	\$11.00	\$5.10

We believe these are reasonable prices to charge parents both full fee and subsidized. They fall somewhere in the middle of what others (Day Cares) are charging. You may charge different rates if you wish, however, please keep in mind that if your prices are too high, you will lose parents and if they are lower you will be undercutting yourself and other caregivers.
