Good News!

Greetings:

Thanks to our staff's participation in our 2019-2020 Connect Care 3 wellness program and your individual commitment to live a healthier lifestyle, we can continue a 15% decrease for all the 'employee only' health plan's. The employee plus, wife, children and family will also continue to receive a reduction as listed on the open enrollment form.

The requirement for the reduction is simple. The employee must commit to not smoke or vape on the business premises. (A simple offer that saves you a considerable amount.) We hope that this commitment will earn even more reductions in the future. For those employees who choose not to make that commitment there will not be a reduction, however, the plan premiums will remain the same as 2020.

The plan will run from January 1, 2021 to December 31, 2021. Now is the only time you will be able to change between the plans. Open enrollment for our medical plan will run from Friday, December 11, 2020 to Thursday, December 24, 2020. All selection forms must be returned to HR whether you are making a change, or declining participation. The 2021 rate forms can be found on line at www.StarCarHR.com.

Please call me with any questions (610)844-4323. Here is to a healthy and prosperous 2021.

Best Regards,

Rob Grow
