

# *Belfi Brothers Safety Committee*

**January 29 2020 Meeting Minutes – 12:45 pm**

Attended by:

Stephen J Belfi - Chair

James W. Ingram – Vice Chair, Management Representative

Carlos Merced – Shop Representative

Vince Angelus – Field Representative

Old Business:

Meeting minutes

Back area fill progressing.

Stone crusher not available.

Wall will be stable.

New Issues:

Need to finish

Additional hepa shop vac to be purchased

Men to carry “wale tail” vacuums for mixing

Still Need new suction cup racks for thin panel installations

We need to finish off the back area. Get gravel and fill if we’re done putting stone in the hole.

Get pavers

CHOP “green level” clearance needed for 7W.

What if guys don’t get vaccines, what do we do?

Safety concerns:

Warehouse door

Back roof

Next meeting: February 20
