## 23<sup>RD</sup> SUNDAY IN ORDINARY TIME

Say to those whose hearts are frightened: Be strong, fear not! Here is your God, he comes with vindication; with divine recompense he comes to save you.

Then will the eyes of the blind be opened, the ears of the deaf be cleared; then will the lame leap like a stag, then the tongue of the mute will sing. Streams will burst forth in the desert, and rivers in the steppe.

The burning sands will become pools, and the thirsty ground, springs of water. †

## WHO IS SAINT PAUL?

Saint Paul is one of the most important and influential of all the saints. Many of his writings are contained in the Canon of the Bible and have influenced the growth and development of the Church since the first century.

St. Paul was originally known as Saul, and he was a Roman citizen and a Pharisee. He even presided over the persecutions of the early Christians and was present at the martyrdom of St. Stephen.

However, Saul experienced a powerful vision that caused him to convert to Christianity while on the road to Damascus. He was duly baptized and took the name Paul. Paul and Barnabas then went forth on a mission to Cypress and throughout Asia Minor. They established several churches in their travels. After establishing his churches, Paul remained in communication with the faithful, often writing letters to answer questions and resolve disputes.

The letters that have survived have become part of the Bible.
