

A Letter from our Principal

Dear Parent or Guardian:

I want to take this opportunity to introduce myself as the newly appointed principal of Maurepas High School. It is my sincere pleasure and honor to become a part of your great school and community. Maurepas has a rich history of academic, cultural, and athletic excellence, and I am looking forward to working with the dedicated faculty and staff to continue this tradition.

My entire 27-year career has been within the Livingston Parish School System. I have worked as a teacher, coach, and for the last ten years, an administrator. I am truly looking forward to meeting and working with you as a partner in education to ensure your child's success. I have an open-door policy and will always be available to speak to you about any concerns, feedback, or requests.

Parental involvement is a very important key to your child's educational success. During the course of the semester, it is my hope that we will work together to provide the students of Maurepas High School the best opportunities in preparing them for the future. If you ever have questions or concerns, please call or come by, and I will be glad to discuss them with you.

Sincerely,
Kenny T. Kraft
