

2017 So Cal Single Retreat

Workshops & Biography

Blaine Carman

Morning Workshop:

"Rise to Find True Love....Again"

"Successfully Navigating the 9 Stages of Dating"

Drawing from Blaine Carman's upcoming book, "Finding True Love....Again, A Guide for Christian Singles on Sex, Love and Remarriage", Blaine will lead this exciting interactive workshop on dating and finding the person who God may be preparing for you. Understand and get strategies to effectively navigate the 9 Key Stages of dating and draw closer to God in the process. Learn how to navigate the "minefield" of Christian dating to arrive at the "promised land" of a successful God-centered relationship. Get tools to manage the "hot issues" in Christian dating, such as managing physical chemistry and the question of remarriage.

Afternoon Workshop:

"Rise to Discover the True Purpose of Your Life as a Christian Single"

Have you been asking yourself questions like "Why am I here? What is the purpose that God created me for? How do I map that purpose into my daily life?" In this workshop, Blaine will present a strategy to uncover keys to finding and rising to the purpose which God has created you for. He will draw from lessons he learned from his own experience when Blaine almost lost his life climbing to the summit of Mount Shasta, one of the highest Mountains in the U.S. He will share his story, as published in his 2012 book "My Miracle on Mount Shasta, Nine Questions that Answer a Life", in this interactive workshop. Blaine will show you how to apply these lessons to create your own roadmap to live out the purpose God has designed for you.

Biography:
