Happy Mothers Day 2020

This Sunday May 10 is Mother's Day 2020. It will be a Mothers day like no other. That said, I am not referring to the Covid 19 Pandemic. Every Mother's Day is special and like no other to me. I wonder if you feel this way too. Join me as we remember and thank our God for our mom's who would give and give and the give again for us and our wellbeing. Truly, Proverbs 31 is true of so many mothers I know. May all those we love find comfort not from being perfect, but in being faithful, faithful to their children and families God has allowed in their care.

*"Charm is deceptive, and beauty is fleeting;
but a woman who fears the LORD is to be praised."*
Proverbs 31:30

Join me in honoring and praising our Heavenly Father for the persons in our lives who fear the Lord!

A Mothers Beatitude

Blessed is the mother who provides understanding for her child, for she shall inherit a kingdom of sweet memories.

Blessed is the mother who knows how to comfort, for she shall possess her child's devotion.

Blessed is the mother who guides with love down paths of righteousness, for she will be proud of her children.

Blessed is the mother who teaches respect and honor, for she shall be respected and honored.

Blessed is the mother who emphasizes the good and minimizes the bad, for her children will live in like manner.

Blessed is the mother who lives with kindness and grace, for her home shall be filled with happiness.

Blessed is the mother who has character strong enough to withstand the thoughtless remarks and resentments of the growing child, for again in due season she shall be honored and praised!

"Many women do noble things, but you surpass them all. Charm is deceptive, and beauty is fleeting; but a woman who fears the LORD is to be praised. Honor her for all that her hands have done, and let her works bring her praise at the city gate."

Proverbs 31:29-31
