

Dirty Windows

A young couple moves into a new neighborhood. The next morning while they are eating breakfast, the young woman sees her neighbor hanging the wash outside. "That laundry is not very clean", she said. "She doesn't know how to wash correctly. Perhaps she needs better laundry soap.

Her husband looked on, but remained silent.

Every time her neighbor would hang her wash to dry, the young woman would make the same comments.

About one month later, the woman was surprised to see a nice clean wash on the line and said to her husband: "Look, she has learned how to wash correctly. I wonder who taught her this?"

The husband said, "I got up early this morning and cleaned our windows."

“Judge not according to appearance, but judge righteous judgement.” (John 7:24.)

³ And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye? (Matthew 7:3.)

The Microphone Was Still Hot

F.Y.C. March 2012 Ron Adams © (Used with permission)

More than one well-known person has been embarrassed by what was said when they thought the microphone was turned off. What was said more accurately conveyed their thoughts, than their carefully filtered speech.

“Do you not understand that everything that goes into the mouth passes into the stomach, and is eliminated? But the things that proceed out of the mouth come from the heart, and those defile the man.” Matthew 15:17-18

HAVE A GOOD AND HONEST HEART

Words spoken first must be formed in the mind. The condition of the heart governs what thoughts are formed. Therefore, it is imperative to have a good and honest heart to avoid those embarrassing moments when the “microphone is still hot.”

“The good man out of the good treasure of his heart brings forth what is good; and the evil man out of the evil treasure brings forth what is evil; for his mouth speaks from that which fills his heart.” Luke 6:45

WORDS WORTH HEEDING

Consider the microphone to always be hot!

A group of expectant fathers were in a waiting room while their wives were in the process of delivering babies. A nurse came in and announced to one man that his wife had just given birth to twins. “That’s quite a coincidence,” he responded, “I play for the Minnesota Twins!” A few minutes later a nurse announced to another that he was the father of triplets. “That’s amazing,” he exclaimed, “I work for the 3M company.” At that point, a third man slipped off his chair. Somebody asked him if he was feeling ill. “No,” he responded, “I happen to work for the 7UP company.”

Ecclesiastes 3:1-4

To every thing there is a season, and a time to every purpose under the heaven... A time to weep, and a time to laugh.
