Richard Bong State Recreation Area

Kansasville, WI

Who doesn't love the sound of leaves crunching beneath your feet and the crispness of the air on a November day?

Wolf Pack Trail Run and Relay is the perfect way to enjoy all the sights and sounds of the fall season. This low key ultra-race will be family and spectator friendly and the figure 8 style course is well supported for both walkers and runners.

You can select between 4 miles (solo - run or walk), 14 miles (solo or relay - run or walk), 28 miles (solo or relay - run or walk), and 42 miles (solo or relay - run only). We will be using the Horse Trail and the Blue Trail. The figure "8" style course is uneven loops, with the small loop being roughly 4 miles and the larger loop being around 10 miles. This is the perfect combination of distances enabling runners/walkers of differing ability to partner as a relay.

The 4 mile and 14 mile events (both individual and relay) start at 9:30 a.m.

The 28 mile and 42 mile events (both individual and relay) start at 7:45 a.m.

The 42 mile event requires a headlamp or knuckle lights, if you are walking the 28 mile events you will need a headlamp or knuckle lights as well. Flashlights will not be acceptable.
