The River Falls Gymnastics Club is a great non-profit program with a long history in River Falls. Our program first began through the Continuing-Ed programs at UWRF and has continued on as an independent non-profit organization, as we are today. Our Club currently offers positive, creative and self-esteem building classes to over 400 children ages 18 months through 18 years from many surrounding communities. As many of you know, gymnasts from our program have gone on to be first and foremost great leaders, team members, students and individuals. Secondly, many have also become State Champions and Collegiate athletes. We are excited to share that we are getting closer and closer to our new building opening in early January! We continue to raise funds for the building expenses and equipment.
