

Eggs Benedict will be back in January on the menu and Waffle and Omelette Station at least once a month.

We will look into addressing the symbols for Allergies – nuts/soy/ etc. on the menu. We will also address this at our preshift meeting will tell people what ingredients something may have nuts etc.

“The Young people have been wonderful as servers and to let the parents and teachers know.”

### Marketing

Candace and Jasmine spoke about the “Outreach” Program from the Marketing Department. Jasmine and the some Mauka residents went out into the community to the Fire Department & the Ambulance in Hawaii Kai to say Mahalo! They wore Hawaii Kai Ohana T shirts! We would love to do the same thing in the Makai Meeting and one of the members suggested we should do something for the Mail people! Just let Candace know if you are interested in going out and other ideas.
