Bruce Grey Mentorship is a local community program for children and youth in need of additional support and encouragement. We provide key support to young people to help them develop confidence and realize their potential.

We are returning with our 6th annual Curling for Kidz event; currently presented by Cooperators-Hanover & Durham, Edgewell Personal Care, Hanover Lions Club, Meridian and Maple Leaf. This event is essentially a round-robin curling competition, where participants can partake in the sport in a less competitive environment, for the purpose of raising funds for our program. The event will be held at the Walkerton Golf and Curling Club on Saturday November 9th, 2024. This fundraiser is geared to the local business community and we hope to see you there!

In order to ensure our event is successful, we are seeking support from our community. We are reaching out to you as a local business to sponsor this event in one of the following ways.

- A. \$100 Event Sponsorship – We will place your logo on our Sponsor Board.
- B. \$500 House Sponsorship – (The House is the rings at each end of a sheet towards which play is directed). We will display your logo at one end of a sheet of ice and on our Sponsor Board. You will also receive 1 free team registration.
- C. \$1000 Presenting Sponsorship - We will place your logo/Company Name in all promotional material and displayed at event as “presented by”. You will receive 2 free team registrations.
- D. Prize Donation. There will be a special prize for the winning team and a prize table for all participants. Your logo will be displayed with the prize item.
- E. Food Donation. We will be providing an afternoon spread of appetizers for the participants. Your logo will be displayed on the appetizer table.

Your support is appreciated and will help us bring together an exciting fundraising event. All funds generated will help us provide further excellent programming for the young people in our program ensuring we can facilitate the forming of important mentoring relationships in their lives with positive role models in our community.

Sincerely,

Bruce Grey Mentorship
