

Shawnee Tractor and Engine Club

We had a great time at the state and local fairs plus Planes, Trains, and Automobiles.

The weather was nice for both events. However, there is one thing that needs mentioning John Marlow needed rescuing at the fair, and the nice police officer drug him all around the park. Thanks to those in the Norman club for helping us out in the booth and bringing their tractors. We would also like to thank Shane Fry for the donation of the BF Avery Tractor the club is selling raffle tickets for.
