

Accept cards without all the costs

Looking to reduce your operating expenses?

With your Vital® point of sale, you can now easily pass on credit card acceptance fees to customers at checkout.*

Built-in Intelligence

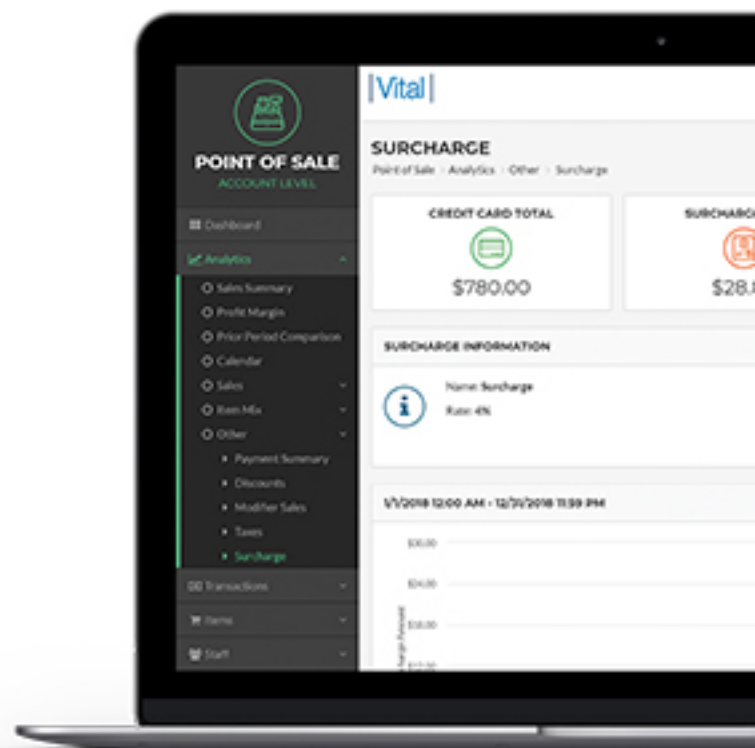

Automatically identifies eligible credit cards, then calculates and adds the processing fee to the amount due, resulting in no transaction cost to you.*

Transparent Receipts

A disclosure with an exact breakdown of charges, including the credit card fee, is printed right on the customer's receipt.

Reporting and Data

Advanced analytics and reporting provide trends and collection totals.

To learn more about how your business can accept credit cards without all the costs, contact your sales representative.

*Applies only to tapped or dipped credit card transaction discount. Key-entered or swiped credit cards, debit cards and prepaid cards are not eligible; does not include other associated processing fees; does not include fees for processing debit or prepaid cards or other associated processing fees. Please note that not all states permit the imposition of a surcharge, and there are limitations and policies that are state-specific. Legislation has also been introduced in various states across the country, and the information contained in the overview may change over time. This overview is not intended to be, nor should be construed as, legal advice. Compliance with state surcharging laws are the responsibility of the merchant. Only available on Vital Plus and Select.
