

IECIAA Meeting Notes
May 31st, 2017

- No conference committee meeting today. Next meeting after the June training.
- June training – CHP: Gang Trends and Rental Fraud June 27th
 - No membership meeting at that training
- State Board Meeting:
 - Next Board Meeting: Tomorrow June 1st
 - Concerns over us selling merchandise at our conference. They want their 10% of what we sell, even if we purchase a vendor booth.
 - State board used to be made up of each regions' president. A few years ago, it changed to just be a representative. IECIAA is the only region that has the President still serving.
 - State Board members get their conference registration for free; this appears to be something that was agreed upon, but it is not in the by-laws. Amy brought up this fact at the last board meeting.
 - San Diego Region brought up the fact that CCIAA does nothing for the regional associations and brought up disbandment. SoCal and IECIAA share the same sentiment.
 - Ideas: each region provide \$500 towards seed money, since the state board provides that typically. Each region pay for their own board member to go to conference.
