NATURALLY BETTER CANDY

# About Us

We are a Metis owned and operated food company located in Coquitlam, BC. We craft and sell premium, all natural chocolate truffle bars, all natural breath and candy mints and all natural xylitol gums. Our products are made in Canada from all natural ingredients and free of artificial colors, flavors and preservatives. At Barkley's, we are bringing nature and natural ingredients together for everyone to enjoy.

At Barkley's, we honor our Metis heritage by following the principles of our ancestors 7th generation Prophecy. It is this set of morals that guide the creation and production of our products and our use of locally sourced, limited footprint packing. It is our duty to ensure that the next seven generations inherit a planet that is healthy, happy and able to provide the best ingredients nature has to offer.

To embrace our Métis heritage and harness that pioneering spirit and strength to homestead traditional food markets with product lines that bring the best of Mother Nature's, natural and organic ingredients together for everyone to enjoy.
