

Give, Get! What the SJS PTA has to offer

The PTA has changed and evolved through the years. While some traditional events remain, new ones have also developed. More households are working and virtually all of us communicate electronically.

There are many ways to get involved with the PTA. Below are some highlights of the committees and events that welcome and need your stewardship. Whatever you choose, we promise the reward received will be greater than the effort given!

Get Informed!

Learn more about our school and discuss issues or concerns at the **PTA Town Halls**.

We are fortunate to have Dr. Kilbride & Mrs. Cioffi in attendance to answer our questions.

There are only 3 Town Halls and they are now conveniently taking place in the school auditorium.

Get Connected!

There's no better way to see the inner-workings of the classroom and your children, then volunteering to be a **Class Parent** or working **lunch/recess duty**. Whether you get to know your child's teacher a little more or see first-hand your children interacting with one another, what you'll gain from these experiences is priceless!

Get Involved!

We offer family-friendly outings such as the **Fall Festival & Santa Breakfast** as well as adult-only venues like our annual **Queen of Hearts Luncheon** and end-of-year **Golf Open & Honoree Dinner**. For the men of our PTA, our **Father's Association** offers basketball nights in the gym to game nights out! There really is something for everyone!
