To the Sherburn and Welcome City Councils,

The department logged 219 calls for service in the March. This brings the total for the year to 719. The department logged 549 calls in 2018 and 550 calls in 2017 for the same reporting period. With many of the house watches coming to an end now, the monthly totals will likely drop off from what they have been.

The department web-site had 1,873 visits in the month of March. This is down from the average of 2,325 that is more typical for a month.

The department has begun the city tours in each town to identify ordinance violations for junk. We plan to have the warning tags out to residents in the next week or two and will give them until each city has their clean-up day in May. After that date, anyone who still has a violation will be cited.

I hope everyone enjoys the warmer weather that we will be seeing in the coming months. This was a long winter.

Sincerely,

Brad L. Hughes
