August

September

It is heartwarming to see the progress.

We've picked the paint colors and the donated granite counter tops and flooring will be installed soon.

Yet there is more to be done before we reach our goal. We still need appliances, furniture, beds, lighting, office equipment, kitchen utensils and all the household items required in any home. Outside, we need stair railings repaired, the handicap ramp rebuilt, gutters and downspouts replaced and landscape work.

We have just begun our search for a Program Director and have received several very promising resumés. The Program Director will be responsible all aspect of implementing the reintegration program and will report directly to the Board of Directors.

We hope to announce the Grand Opening date in the next newsletter.

Ivan (Bud) Strobe
