THIS IS A DECRYMIUMMIUMMIUM FOR THIS EARTH, THE EARTHS, AND CHREATIONS  
FROM: Paulett Angella Hemmings EARTH

June 12, 2017

TO: Governor Andrew M. Cuomo Office  
New York State Executive Chamber  
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY  
CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL  
LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I  
AM. MY LAST NAME IS EVERY LAST NAME IN THIS EARTH AND ALL MY CHREATIONS.

THIS IS A DECRYMIUMMIUMMIUM. A DECRYMIUMMIUMMIUM is higher than a DECREE.

I created good words, protected words, and use them in many different combinations of ways. Some of  
them are: Pussy, Rass, Bumbo and other ones. These words are only to be used by those who have the  
authority to use them and no one else. Others who uses them illegally/mal practiced will feel the stings  
continuously, and no drugs or counter band can deaden the stings from them. Those who have the  
authority to use them already knows themselves.

The website for everyone to use and to see all Articles and documents is  
<https://www.naturalearthforall.com> and the other site is <https://www.facebook.com/naturalearthforall>.  
This DECRYMIUMMIUMMIUM must be shared with all States/countries, all employees, all workers,  
with the Department of Labour for States, United States (US) federal, and other municipalities, all  
government agencies in all federal, state, municipals, city, counties, schools, colleges, private  
businesses, public businesses, small businesses, libraries, hospitals, nursing homes, churches, mosques,  
temples, all religion places, TV, Newspapers, Radios, cables stations, internet hostings, Retail stores,  
and all communication channels so the information gets published in magazines, gazettes, and other  
forms of medias, and also published in the National Registry, Register, National Archives and Records  
Management, Registrar Generals, and others.

Since 2016 to today June 12, 2017, the US federal government and all others, you have not fulfilled  
and have not done the requests, orders, rules, commands, Comrandas given to you in my  
Correspondences, Speech, Letters, Articletts, and Articles. In this DECRYMIUMMIUMMIUM, I add  
additional items and identified some old items. The new Items are added because you have continued  
to put insurrections on this earth, the other Earths and Chreations. You have also continued to put  
insurrections on my children in all countries in this Earth, every minute of the day you put on them  
terror, horror, hunger, disaster, war, famine, drought, diseases, various sorcery powers and mal practice  
control. You have continued to put on me every minute of the day terror, horror, and obstructions so I  
cannot get any work to be done. You have taken my mail from out of the post office in April 2017, so  
I am delayed. All that you have been doing should never, ever, never have happened.

If you do not fulfill and complete all in this DECRYMIUMMIUMMIUM, in all MY Requests, Orders,  
Commands, Comrandas given to you in my Correspondences, Speech, Letters, Articletts, and Articles

before the end of June 20, 2017, all of you including all banks will go into immediate DEFAULT on June 21, 2017. All the Earths, this Earth, Chreations, outside places, all places to the North, South, Center, East, West, overhead places, below ground and below wet places, all wet and dry areas, tunnels, caves, and hiding places will tumble down, dismantled, disheveled, burn down with the chemicals for them, dissolved, wiped out, and liquify in the Sea with the highest strength Vinegar, on June 21, 2017. Also, all of you will never get anything in the future or at any time to come, all you have stored up will turn to rubble, dust, burn out with the chemicals for them, dissolved, liquified in the same strength vinegar in the sea, & in death you exist in horrors, torments, punishments, and more.

Items that are not identified in this DECRYMIUMMIUM are in the Letters, Articlets, and Articles already given to you. Most of you did not receive any letters or Articlets. However, all of you must have received the Articles and the website or the Governor in the State of New York, the Jamaica Consulate, and their news media, the US news media including the TVs, Newspapers, Radios are responsible.

The New and Old Items identified are as follows:

1. I Paulett Angella Hemmings, the Highest Chreator over all Chreations and Esistence, do confirm that in some of my previous lives outside of these Earths, my Names and Titles were different, and I and many other Chreators have had to make these changes and many other changes while dealing with the devels of those Eras. One of the Titles I have had to retire is the title of GOD in all capital letters. This title means GOLD OVER DUMESOILED. DUMESOILED is Queendum, Kingdum, Earth Soiled as they are many different types of Earth Soil. The devel stole some of my titles and had been using them. When I found out, I took my titles from him and cleaned them up and not use them anymore. The Devels cannot use my Titles, as it will burn him and them up. However, the devel has found many ways to override protections and he has stolen my title and other Chreator titles. In other Chreations the devels go by different titles. In my Earth Chreations, you will hear and know the titles the devel stole, as you are not exposed to other Chreations. In these Earths, the title of GOD is never to be used and is not part of this Earth. The devel is a confuser and he likes to create confusion and rig-a-ma-role/sorcery confusion.
2. I Paulett Angella Hemmings, Chreator of this Earth and GOG bring balance to the Earths and Chreations under my authority. I am nurturing the Earths and this Earth back to fitness, I take charge of my belongings, I charge and sentence the wicked and much more, so I Comranda all obstacles out of my way, or you will receive multiplicities of sentences you never expected to ever exist.
3. All that belong to me must be given to me.
4. The Right Title for these Earths is: Gold Over the Goodness or Golden Over the Goodness (GOG). I do have many titles and the ones you are allowed to use are written under my name and under my signature. I put on your tongues the Name and Title: OH MY GOODNESS.
5. Barak Obama told me that since January 2013, he, his wife, and others opened my body and took me out of myself, tore me up, killed me several times, took my information, my memory, and my valuables for themselves. Th US federal government has been terrorizing me in that form since then and up to today. Barak told me he was to send me notification in the mail of who I AM since they obstructed the many transformation that should have taken place in the Earths and Chreations. Neither Barak Obama nor the Federal Registry, or the National Archives and records Management, contacted me or told me anything up to today. Barak told me he wants to be me and so he does not want to give up the power and authority he has stolen for a long time. He and the others want to continue to do what they have been doing as it makes them feel good and important. Barak Obama and all government leaders, past presidents of the U.S.A, and other governments and leaders in

other states/countries this Earth cannot and must not, must never, and do not lead this Earth, or any of my Earths or any Earths and no Chreations, at no time in the past, today, tomorrow or in any time to come.

6. Barak Obama told me that he and Donald Trump are from the heavens and they work in the heavens. Barak Obama said that he was matched up with Michelle Obama for this job in this natural Earth and my chreations. Barak Obama told me between he and Donald Trump, he is number one in authority while Donald Trump is number two in authority in the heavens and any place they work. Barak Obama told me that he and Donald Trump and others from the Heavens cannot return to the heavens once they come down to the Earths. He said they do not have a place to stay, but they have to stay and do Presidential work as that is the only thing that they can do. Barak Obama and his team and Donald Trump and his Administration are all burned out of my Earths and Chreations and dismantled and disheveled and dissolved and wiped out and liquefied with the vinegar and poured in the deep blue seas and never to exist at any time to come, in any place, in any form, ever again.
7. Barak Obama said that he has lots of work to do in this natural Earth especially in the space areas. He said that he is the one who likes to experiment by using the species and the genes he stole from many different Chreations and the Interlope. He carries out many experiments, and he mixes the genes with the species to create lives that are now living in this earth as normal peoples. Barak said He began the Earths experiments, and it has exploded and the department of health has carried out many of these experiments and this earth is over populated with their experiment children that they have created and are under the state responsibilities for care and adoption. Many of the space areas are overflowed with the experiment children and adults. Many of the adults are in this Earth working like normal peoples and taking away the jobs, homes, of my children and using my money and authority. Some of these experiment children are also governors and leaders from time to time when they are wired up and they have the devels in them so they can do whatever the devels want them to do as they were created by the devels to do devel work and terror. Barak Obama said he has to destroy all the space creations areas they use, to kill the lives there that they make, and to destroy all that he has made and allow others to make. He said he has to come down to do that work and no one else can do it, as it is his fault. My Earths and Chreations are not to be destroyed in any ways, shape, or any forms and no experiments by using genes, species or any form in my earth that I have not allowed with my permission in my original Articles.
8. I spoke with Hillary Clinton and she said Barak Obama stole her victory in the election, and she was doing her research to find information to present to show that Barak is not to be in this Earth as a president. Therefore, Hillary forced and abducted a Port Authority worker named Jessima maybe from one of the federal cut out to assist her in finding information to present. Hillary Clinton is using Jessima to connect with my Port Authority to gather information to show that Barak is using my information to leed the US and to do wicked things.

Barak Obama suspected that Hillary is trying to find information on him and Barak Obama has zoners and telescopic apparatus that he puts on Hillary and others to know where they are. When Barak saw Hillary in places she is not to be in, as it is his discovery places, he formed a team of helpers to illegally connect them to his discovery and murder and then he has a multitude of secret service and others to do the killings for him. Barak Obama and three others got to the place where Hillary and Jessima are working in their research, and surprised them. Barak Obama arrived with Bill Clinton and Bobsey Grange of Jamaica, who told me he has done many wicked things to kill

and destroy me, so he cannot look in my face. Barak Obama killed Hillary Clinton and Jessima, and then many others got involved and many killings began as those Barak set up to kill the two women also killed Barak Obama and Bill Clinton and Bobsey Grange. Others with high weaponry also got involved in these killings.

9. The killers then threw them in a room on top of each other, locked the door, and put something to keep them not rotten and they are dead. The US government then uses copies of the dead leaders, as they have many copies of themselves and they can get many impersonators to work. The body of Jessima disappeared so she is not linked to them. The government had to take out the Bill Clinton that use the ventilator to present to us, as it was in an accident during his term or at some time and it needed to use a ventilator to breathe, and the hospitals are equipped with machinery to resuscitate him and others like him when they are damaged. Another one of Hillary copies was used to replace her. Barak has many copies of himself so they also used copies of him. I do not know how the Bobsey Grange replacement works or if he has one, as he did not speak much. Bobsey Grange told me that he has shame and disgrace on him to the maximum for what he did to me, and he was very skittle and was moving around like a puppet. The Presidents and other governments leaders and private persons who have my power, authority, and information must return them to me and never to use my property for any purpose.
10. What is the name of these Natural Earths we live in? My Natural Earths were stolen many times and changed hands and control from one devel to another over an extended period of times. The British Kings controlled and destroyed the Earths for a very long time. The name of these Earths was changed many times under different devel control. The name for the highest Rankings was changed many times to the points of distortion. The name of one of my Ranks is JAH. The Earth was called Jahmaker Earth by the Devels after they have cut and carved the name up to fit what they perceive the Earth to be. Yes. I am a JAH. I am not a Maker. I do not make. Only the Interlope devel creatures make. Therefore, that name was changed after a while and was called Jamaica Earth, then the name disappeared and it is just called Earth. The Place that is called Americas including all the Caribbean Islands in the Central areas, was also called by the devels Jahmaker North, Central, South Continents. When the British Plastics camouflaged things came with the intent to conquer and destroy, saying they were explorers and discoverers, to the Jamaica Continents they saw it beautiful and well kept. The British and others killed all the Rankings and authorities one after the other over a long period of time, and they replenish from Africa. I Paulett Angella Hemmings AM The Highest Authority in these Earths, I am the Chreator, order, and Primary Authority in my Chreations and Earths. The natural real flesh Rankings are the Highest Authorities of these Earths after me. There were other Authorities in these Earths lower than the Rankings and their jobs are specific.

After a while, the Jamaica Continents lose its identity and its protection, as those new Africans did not know how to protect the Earths and how to protect the Continents as the devels continue to kill them. Then the fight between those Federals who came into the Jamaican Continents and those who are for the British worsened, the battle raged, and at the end, the Jamaica Continents were split up physically and geographically. Many States, Towns, Cities were cut away with heavy equipment tools from the heavens and from other illegal places and taken out of the Earth and many dumped on top of Each other in the oceans and seas and sunk away.

Over the many years these types of wickednesses on the Earths continued and many places continued to be cut away by unseen objects not visible to the natural eyes. Some of the Central and North Jamaica Continents was named by the devils America and is now called the United States of America. Where is Jamaica now? It is called the Jamaica West Indies, a Third-World country! Where was I born? In Jamaica, West Indies. What is the connection to the Jamaica Continents to the Earths? It is the Highest Authority to lead the Earths after me, and had led the Earths for a long time before many devils came in great numbers about a Centrillion and opened the Earths, so they have easy access. The devils took over the Europe Areas and spread out so the Jamaicans had to do the best they could to separate and protect themselves from these mad conquering devils. The Ranks in the Jamaican continents are not like the Peoples. They are specially Chreated to lead, and they had no experiences with the devils before so the devils cannot get in them that easily. The devil killed them instead so the devil can control.

Is the Americas the right name for that place? No. It is not! Is the place called America a legal one? No. It is illegal as the name was stolen from one of the African areas, the authority stolen, and the control stolen. Were the stolen Central places and the stolen North territories now called America, the leader of the Earths? No. It was not, and still is not. What is those places called? The Northern places is the Peoples Places and not the Ranking Places. The Peoples cannot lead and must never lead, as the devil knows them and will use them, and everything will be destroyed. The Rankings are in the Central and South. The Common language in the Jamaican Continents and these Earths is always English as the Earth First letter is E. The name Jamaica was removed, and the Earth is left just called Earth or Natural Earth, so no one knows his or her identity. When anyone from the Earth dies and are seen in outside places they are not to be in, and they are asked where are you from? They say Earth! As if this Earth is the only places that exist. There are many Earths, and they all have a name, and they all have a Chreator. The devil did many things to change the voice accent for the different States including using voice changers that is on many of your backs and imbedded in your skin from childhood.

Is Jamaica Earth the right name for these Earths? No. it is not! If these Earths are called Jamaica Earths, then every person, peoples, and all natural lives are all Jamaicans; there is no difference what State or country you were born in, or the color of your skin, or your accent. You are all the same Jamaicans, as they have renamed my Chreation! Out of Many We are One! I Chreated a United Earth with many different peoples and different Ranks in various areas. Jamaica Earth is not the right name for these Earths and not the right name for the Place called Jamaica West Indies. The right name must be identified by the US devils.

88. Visas and Passport do not need originals; certified copies are accepted.
89. No control by US federal government to other States/countries with passport, visas, immigration requirements.
90. When taking passport and visa pictures, the ear is not to be exposed unnecessarily. Do not change your hairstyles so your ear is exposed. Your hair is a good protection in the front and behind the ear from the devels. Your hair has something in it that can cut the devels and that is why the federal government devels leaders in the US wants you to shave your vagina and arm pit hair, so they can get in these areas easily with no obstructions. The federal government and republics devels use their tail and dig through the picture then use the microscopic lenses to go through small spaces, they then use the illuminator to make it big enough to bore through. They then add the illusion, morphication, imagination, reconnection, copier, scanners, zoners, multipliers, duplicators, replicators, reflectors, distorters, restorators, remakers, refigurators, regencymakers, rewriters, remaximizers, transformer, retransformers, and other things the use to get in our body, your home and to torture us every day. The federal governments and others also use the telescopic lenses to locate us once they are connected to our bodies to find us anywhere and to torture us. You do not understand what powers they have available to them and how they use them, as you are not exposed to these types of existence. Know that you are put in this round ball to protect you from these knowledges and devel presence. You can live in this Earth without realizing these things, and when the federal and others kills you, then you experience these wicked things and you are locked in a dark hole, as they put themselves to be the same leeders in the other elevations, levels, and heights of these Earths.
91. The Satellite Dishes from outer space and inner Earth space and in many places in the Earths and many Chreations have zoners that connects to many parts of the different chreations illegally. The satellite dishes have telescopic things on them that they use to find me and to kill me while I work in my office and while I AM taking care of what is to be done. This must stop immediately and the zoners diffused and burn out. All zoners are illegal in all Earths and all Chreations. Zoners have a burning iron on it and they used the zoner irons to burn me on my breast, in my pussy, in my batty/bottom, on my face, an on many different parts of my body even in my head and my brain.
92. All usages of soldering irons in this Earth and in these Earths, are illegal and all usages in all chreations are illegal. All soldering irons must be diffused and burned out and never be used again. Anyone or anything use soldering irons, zoners, and drones get higher than treason charges, and they are sentenced to life imprisonment with punishments. Soldering irons used in these natural

Earths for metal usages are not the ones I am talking about. If those soldering irons are used in any ways to cause terror it is the same punishment.

93. All weapons stored in the Pentagons, private places, other places the military has prepared, the governments have prepared, must be burned out in the natural and in all levels and elevations of these earths and all chreations they are in. The weapons are not to be used on our inner selves, on our outside selves, or in the natural or any type of places or elevation or levels, or for any types of destruction at no time never ever never.
94. Car manufacturers must make vehicles that protects the head of the driver and passengers and not have glass instead of metal, and must have proper padding inside the vehicle roof for protection of the head.
95. Car dealers must sell all vehicles with full warranty even if the vehicle is old. As long as the vehicle is being sold to be driven, it must have full warranty or no sell it at all.
96. Car manufacturer must sell the proper tag holder that do not obstruct the reading of the information on the tag. If tag holders are illegal, it is the vehicle manufacturer who must be charged not the vehicle owner, as the owner do not make tag holders and have no control over tag holder manufacturing.
97. Microsoft must connect all the cables system lines and the computer interconnection lines and all lines for the natural where I AM, and the other Earth elevations to get the communications connecting to our computers, telephones, and ipads, so we have current information. These lines are in use by the Military, the secret service, some states governors, the congress, the presidents, the senate, and others in high secrecy.
98. No one should go out of their way to get visa or passport pictures taken. All local picture convenience places are suitable or the government and the passport offices must be responsible to have their visa and passport pictures taken at convenient places they have all over each community, like the convenience of ATM machines, that are accessible to all who need to use them at any time of the day or night and must be safe and at no cost to the person.
99. All publications for magazines, books, TV screens, newspapers, any published medias, photographers, printers, arts and crafts places, and anyone who uses ink, and any ink and toner maker, you are to make and purchase only ink and toners that have the protection from the wild rice weed oil or juice, indigo or deep blue powder, and single bible/Aloe/Aloe Vera oil or juice to be used in the ink so the devels cannot get through the printed materials and pull out the person in it and destroy the person and the art work. The wild rice is the same that is used for tough lawn grass that curls and twists and grows the rice weed after about two to three weeks uncut during the hot weather season.
100. All TV, Movies, and Cable TV picture and movie makers use the following screens: red, blue and silver screen and never to use green, white, cream, or yellow screen.
101. All computer screens, smart phones/computer phones, ipads, and tablets computers use the blue or silver screen only; and never use white, or green, or cream, or yellow.
102. All those who goes around in the HUMAN SPARES AND THE DIFFERENT CHREATIONS COLLECTING INFORMATION with their movie camera and recreating terror and horror for the sake of movie pictures are insurrectioners and they have higher punishments than many of the big devels. The movie makers come in and try to recreate the endings of devel wickednesses, so the moviemakers are in the endings, and that is a recreation of insurrections and they are worse than the biggest devels. Therefore, all the movie makers who infest the Human Spares and Chreations with many apparatuses they have put there and using many peoples and different species to become tools and equipments to cause major disasters just like the devels, then they capture the films and then use them in this Earth, places, and other Earths to make movies and sell. They are now

- charged with higher than Treasonomous, and they get higher punishments than some big devels. They are now sentenced to life imprisonment in maximum security prison, with no parole, every level they go to and every elevation they go to, any place they are in, and any Chreation they are in.
103. The actress and actors who the federal governments, republics, monarchies and others influence to go into the space areas to film movies, they may get some fame from their pictures, but they live in torture and torment from these devels and their relationships with their spouses and family suffers, and they end up losing instead of gaining. So, do not be influenced by devels to do devel work as there is no need for you to be in competition or to thrive from killing your mother, brothers, and sisters. You are not a Chreator and you do not know how Chreations are designed. Do not go into any space areas to film movies or to visit for any reason.
  104. The movie makers want to experience the terror, torture, horror, wickedness the devel put on my children, so they desperately capture it on films for the sake of making money when money is here for them to make with the frank machines. The government ties the movie makers to money and competition so they go to the depth of killing others to make exciting movies for the sake of money and being the best to get awards and for them to be noted and written about. So, the governments create horror scenes, terror events and money lack, then the movie makers go into the space areas and in Chreations they do not belong creating horror scenes and killing my children for the sake of making money and to become famous. The governments are charged and sentenced for causing lack of money to use and for creating horror and tied it to money and fame, when I have created money for all to have in abundance, and I have created a movie process that must be followed.
  105. The governments also killed me many times and use the movie makers to capture my deaths and you see me being killed in many horror movies and you do not know that it me, your Chreator and GOG they are killing. When they do this, you are prevented from living in happiness and joy. The governments as well are charged and sentenced to life imprisonments with no parole and a life of torture and wickedness roll back on them, curses on them, and punishments on them from the beginning of wickednesses, and more punishments to come.
  106. All movie makers must follow my movie making process in my original articles that the District of Columbia has in the records office; my office that the government stole.
  107. All my children must get their own mint or frank machines with \$40, thousand US dollars monthly as their limit for now. Women must get 30 percent higher than the \$40,000. Everyone must get all the money printing materials and ink toners as well when they need to replenish from the state free of charge.
  108. All prisoners to be let out of the prisons since January 2017 cannot be camouflaged prisoner wearing plastic, rubber, tremoline, or electromagnetic camouflaged outer and inner skin. The prison must ensure they are real and natural flesh persons from this Earth. The families must spit on them with their mouth closed or open to see if they are real and natural, as the government and monarchies take them out of themselves while in prison and they are turned into plastics and live in the prisons looking like their normal selves when they are plasticated, rubberized, or one of the other forms.
  109. Governments and monarchies stop putting my children in prisons then cut out their inner selves out for you to use and then you put plastic inner selves in them with many wires so they are controlled by you and you can use the remote to control their inner selves which is attached to their outside selves, and we see them acting in irregular manner not knowing that they are plasticated and remotely controlled from their inner selves. Everyone should drink the white rice water and add blue powder o it and drink it and soak in it to remove the plastic from their inner selves and then eat the right type of food to repair their inner selves. The right type of food is white rice with everything in them and nothing removed, boiled green bananas, boiled yellow yams/name, white

yam/name, white unbleached flour mixed with a little yellow corn meal with everything in it, and a pinch of salt made in a dough that you kneed. You add water or holy water to it, squish it with your fingers and palm together so it is well mixed together and not soppy, then cut to palm size, roll in a ball, then press in the middle to flattened out a bit, then put in boiling water with salt to taste, and cooked for about 15 to 20 minutes. Eat with green vegetables like lettuce, cabbage, string beans, beet roots, diced or sliced carrots, red tomatoes, onions, garlic, scallions, peppers. Add well cooked meats like chicken, real pork, silver fish with the skin, or real beef not horse meat. Drink real natural juice from carrot, tomato juice, blend many vegetables with real natural fruit juices and add only a bit of brown sugar to taste and you can also add ginger to it or a little rum, brandy, or vodka if you want (no white sugar).

110. Governments and monarchies stop going into the hospitals and killing my children and taking them out of their inner selves in the hospitals, while bringing terror in the hospitals on them in their minds and bodies.
111. Governments stop controlling the doctors and nurses in the hospitals so they put patients in cold rooms because they suspect that they have certain types of contagious diseases so that you can get the patients in the cold freezing rooms away from the eyes of visitors, doctors, and nurses so that you can open the patients, peruse their bodies, and remove from them their valuables while they are in the freezing rooms. No hospital is to put anyone in a cold temperature room stating they have a contagious disease. No one is to experience those treatment, as any irregular sickness is caused by the government and monarchies devels and all the hospital need to do is to give the patients the ganja and the sensemelia juice to drink every two hours then soak them in the warm sensemelia bath. Then dry them off and then put the real natural cherry leave essence with nothing removed or reduced, then rubbed all over their skin/bodies, including ear, nose, throat, lips, and for the patients to eat many cherries, grapes, oranges, banana, drink lots of orange juice, apple juice, jello, cherry juice, eat lightly steamed green vegetables, white rice that is full of everything, well cooked meat like chicken, pork, silver fish with the skin, real beef and not horse meat (Obama said it is horse meat time now so most beef and some pork will be horse meat, and not to eat). The pork must have its own skin so you know it is pork. Beef and horse meat are not the same and they taste, smell, and look different.

The hospitals must get the right holy water to use and give the patients no less than twice day to drink and put the holy water all over their bodies during the day from their heads to their feet and in their private parts as the devels get in their vagina, bottom, penis, head middle, hand middle foot bottom arm pit toes, fingers ear, nose, mouth, eyes. They should add holy water to the patient's bath and wet them with it from the head to the toes. Anyone who experience being put in cold freezing rooms can sue the hospital and the state, as it is illegal for anyone to be put in cold freezing temperatures as it only gives the devel access to them like if they were dead and in the morgues. Allowing this to happen is illegal.

112. King James Bible: Luke 2:1

And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed. I never permit anyone in these Earth to pay Taxes. There is no reason for taxes, as money is free to be made and used. Only devels who are wicked and who want to control and harm, wants you to pay taxes. The Earths and Chreations must never pay taxes of no form.

113. For computers use the white rice oil or juice when it is rubbed together and washed with water and becomes milky and then add the blue powder or blue oil. To make the oil, rub the rice grains together and put the grains in a pot of olive oil to fry under low flames and then the oil is rice oil.

119. Donald Trump, Federal government, Republic Governments, British Monarchy, and all others, stop killing my children so you can take their power and authority to do wickednesses in my Earths and other territories you are illegally in.
120. Morgues must be in all town and communities areas whatever is best, with easy access, so anyone can get to them and use them for their cremation purposes and to make funeral arrangements.
121. All death investigation completed within three days of death. No cremation or final goodbye can be hampered or delayed because of unnecessary intrusive investigations. Anyone who suffered these situations at any time can sue the government where this took place for this situation at any time. Obstructing the proper funeral proceeding with delayed release of the dead body can be because the government, monarchy, republics wants to use the dead body for their rejuvenation and to take out what is inside the person body, and the family do not know what the government is doing when the morgue is closed for the day.
122. Any authority who removed the information that cremation is the best way to process your family remains is responsible to pay each family who bury their dead \$2 million dollars for each burial of a family member. Each person can sue the state and the duration of each suit can take no more than 1 and a half year to finalize. Any family who put their loved ones remain in an urn of any type can sue and get up to \$ one million dollars. Any person who has had to bury their family without seeing their faces because of delayed or long investigation can get up to \$one million dollars per week that they did not get the body for cremation.
123. The state must give each family the right amount of money to dig up and cremate family members who have been buried and use the right cremation and disposal process in these Articles since 2017.

This Earth is their home I Chreated for them to tour, to visit, and to live. You are a man, a thing, and not a Chreator, and you have no right in any Chreation or any existence. Both of you Get out and never return!

127. All Plastic, Rubber, Electromagnetics, Tremoline, and other camouflaged leaders and workers in all the Earth Embassies, Consulates, Missions, United Nations, get out now.
128. America took over the Jamaica Continents and continued to destroy them up to today. America and the British killed many Jamaicans all over these Earths and still doing so. America has kept a vigil to separate my Earth children and confuse them as to who they are, so they fight and kill each other for what they are to get and have naturally with no conflict as money should be nothing. Money should be overflowing and should be used to make shoes, dress and even a mat if anyone choose. There must never be shortages of money! I made money to be used freely, in full supply, and overflowing. Only the plastic devils who took over the banks and the leadership create shortages and lack, so you all fight for what is yours freely. America get out of Jamaica West Indies and stop controlling Jamaica!
129. America, stop using Jamaica money and authority.

140. The America federal government cut out the many Jamaica Earth places and dumped them in the seas and oceans. Then the Jamaican lives are all used by the federals who to take them and use them to do many wickednesses as they are not old enough to die. The federal copied and multiplied themselves and take these lives and put in the federal multiples so the federals have power and Jamaican authority. Then the federals have many replicas of themselves to use and to regenerate. When other Chreators see the disasters the federal put on these Earths, and they find ways to put the lives in other Chreations, the federal go there, kill and tear down the Chreations, take the Rankings and peoples lives out, then take some back to this Earth, put some in other places, so they then becomes insects, reduced to small particles, and then they put them in plastics Rubber, Tremoline, Electromagnetics, Mechanical, Synthetics, Fibers, and a combination of these

and have them working in many Chreations including this earth and living in torment to please the federal government who remove them from their protected places. There are many ways that the devels and the federals, republics, monarchies, and others destroy, as they have been doing wickednesses for a very long time, in so many different Chreations. The wicked devels take knowledge of wickednesses from one place and use in other places. If the Federal government do things to prevent the events from happening, I AM not to be troubled in any ways. The last event was for no later than about the year 1998 to 2000. Since 2000 came and the federal insect, animal devels are still in the Earths doing wickednesses, the events cannot go on, and so I AM not to be troubled or to know who I AM. Barak Obama, the Federal Government, along with many others decides to do what they want, when they want, and to do what they want with whomever they want, so they can benefit. So, they illegally opened me up and took from me, as they have been doing with my children all over. The last time for the changes to have happened in the Earths, the right way, was about 1998 to 2000. So, Since the year 2000, all marriages performed under the word God, Jesus and other religious ceremonies are null and voided if you want it to be so.
177. These changes in marriages should not affect any immigration or other proceedings/processes negatively. It must expedite the immigration proceedings, as the immigration changes would have happened in the year 2000.
178. No person can marry a plastic, rubber, electromagnetics, tremoline, or any of the devel forms that exist. A woman does not need to be married. A woman does not need to have children. I never

gave any orders, or commands, or rules for a woman, or for parents to multiply in the Earth, or to have many offspring/children.

179. A woman should protect herself from unwanted pregnancy and the man should do the same as well.
180. A woman can have an abortion of a child 5 months and under. Unwanted children care and all childcare assistance must come from the State. The State gives the woman the money she needs to get child care while she works and if she need it otherwise and she also get money to take care of the child proper nutrition and other needs. Every child gets their allowances from birth and continue through the life of the person.
181. A woman is not to wear a ring on her finger from any type of marriages. A man must not wear a ring on the finger from any type of marriage. A man can wear an open silver, chromium, silver with chrome bangle (not sterling) with genuine stones or any type of stone and diamond on his hand from a civil marriage. A woman can wear an open bangle made from gold, gold and silver, chromium blend, with stones and diamonds and others. The bangle clasps are best when it has the knob at the ends and the band is adjustable. Marriages can either have be Marriage Certificate or Marriage Diplomas (no difference). Prenuptials is a must to protect both the woman and the man. Engagement is better than Marriage and has some similarities. Once there is an engagement, the man cannot have relationships with another woman or any other person. The woman is the head of the household and all children belong to the woman. The father of the children is responsible to assist with the child care and allowing the child to know him and spend free time with him. A woman's pay/salary is always higher than a man's.
182. At this time, I increase the woman's salary/pay to 30 percent higher than a man's and will not reduce. Wedding Planners/Coordinators, Engagement Coordinators/Planners are attached to every Marriage and Engagement and State gives seventy-five (75) percent of the cost (the State and the federals put in your heads about marriages); you can also choose to not use any planner, and the cost will never inflate so that you cannot afford the planners.
183. You can marry and divorce as many times as you want. You can engage and separate as many times as you want. When a relationship ends, the woman stays in her home. There is no charge to file for a divorce. If the divorce is conflicting then an attorney can take over the case and resolve it at the cost of the State for only four marriages. If the state pays the attorneys late or delay payment, the State must give the attorney 15 percent additional and payment to the attorney gets higher by 10 percent each month of delay.
184. Women and men can have separate bank accounts. Women and men who are married and engaged should have a joint bank account that they put an equal amount in to pay for family expenses and their monthly home expenses. Rings are to be worn on women and men fingers and rings for every finger sizes must be available. No weekly, biweekly, or monthly allowance at this time can be higher than the amount I have approved.
185. Passport pages are to be added at no charge to the passport holder, as long as it is before the expiration of the book. The passport pages can be increased but not decrease.
186. Credit cards companies must give each account holder one and a half months to pay their partial payments instead of 30 days.
187. No finger printing of anyone, as it is not being done the right way.
188. No War of any type into this Earth, all Earths, and all my Chreations.
189. Paraplegic Special Olympics are all and completely over. Special Olympics are plastics, rubber and other materials made Olympics and my money has been used and is funding them illegally. Many devels do not want to see other devels benefit in any ways so they create insurrections on each

other and put my children in it and kill my children. None of this to happen in the Earth and no devils in my Earth and Chreations.

- 204.The US federal government and others have been destroying my life before birth. They have continued to do this at birth and do many wicked things continuously at intervals. They have destroyed my jobs. They have used bombs to destroy my job and property several times with the intent to kill me in it. They destroyed the workers at my last job and infect many of them with the sextile devils and caused some to lose their jobs, be in the newspapers, and on video exposing themselves. They killed me many times and tore me up on the last job, they killed my other versions so they cannot do their work, they destroyed me on the last job as well, and caused me to be permanently sick. They continued to destroy me and they killed me and my other versions, raped me, sodomized me, starved me, put me in physical danger for days, and damaged me more permanently on January 1 to 4, 2017 at the Miami International airport and during the abduction. US Federal government, the State, are responsible for reimbursing me in all ways financially and in other ways that I want. They must give me everything that I want and nothing less.
