

Industrial Sealing & Lubrication, Inc.

Your comprehensive source for:
**Lubricants – Pump Parts- Lubrication Equipment-Packing-
Gaskets-Mechanical Seals-Filters and Filtration Systems**

Lubricants

- Royal Purple Synthetic Lubricants
- High film strength
- Greatly reduces wear and improves efficiency reducing energy costs and downtime.
- Group 3 & 4 synthetics, Mineral Oil, and Food Grade lubricants available
- Oil for Compressors, Pumps, Gearboxes, Turbines, Hydraulics, Open gears and chains
- Polyglycols, Silicones, H3, White Oils, Heat Transfer, Transformer oil, etc.
- Bel-Ray Products Distributor

Filters and Filtration Systems

- DONALDSON Industrial Distributor
- OEM and replacement filters
- Hydraulic filters- spin-on and cartridge
- Air, Oil, Separators, Coalescer filters
- Inline and Off-line filtration
- Tank Cleaning and pipe flushing
- Bypass filtration systems
- Filter surveys and engineering service
- Portable filter carts
- Vacuum Dehydration Units
- Large Rental Fleet of Filter Skids and portable units

Bearing Protection

- Trico Total Lubrication Management Solutions
- OilSafe Oil Storage and Handling product
- ISOMAG bearing protector
- JM Clipper labyrinth design
- Air Sentry Desiccant Breathers and Oil Dryers
- Pulsarlube Disposable and Refillable Single and Multi-point Grease/Oil Lubricators
- LLG, Bullseyes, Oil Sight Glasses
- Des-Case Equipment Reliability and Contamination Control Products
