

FRUITFAST®

About Us

- FruitFast® is an industry leader of 100% pure, all-natural, whole-fruit products promoting healthy living. Providing nutritional fruit products of superior quality and value is the focus of everything we do.
- We provide you with a choice of FruitFast products that are natural, pure, safe, consistent and affordable. Our entire FruitFast line begins with grade A dark skinned whole fruit.
- FruitFast is America's best-selling brand of tart cherry juice concentrate and offers a full line of cold-filled juice concentrates. Capturing the fruits' healthy properties through a proprietary process that includes the skin and pulp, Underwood Orchards produces three varieties of Softgel capsules; CherryFlex®, Wild BlueberryIQ® and Wonderful Pomegranate. Other products include FruitFast Liquids, FruitFast Bars and a variety of dried cherries and fruits.
- We became the leaders in our industry by listening to our customers' requests and building lasting relationships. We appreciate your business, but more importantly, we value your trust
