Queen of Hearts: we have \$130 in the pot - Bill Oakley - he did not win.

Our speaker today was Robin Snyder, NCDE Special Olympic Chair. Robin told us that Special Olympics started in the 50's because there was nothing competitive for those with physical and mental disabilities. The idea was to teach them how to win. Today, Special Olympics is considered an Olympic event. If you have never attended the Opening Ceremonies in Raleigh, it is well worth your time. Please think about going this year.

Don't forget our next meeting is Thursday, March 24.

Bring a friend - they may join!
