DESCRIPTION: This one of the nicest BP Rogues that I've run across. George Birnie designed a great performing recurve in the Rogue. Marblewood riser. Riser was cleaned up and touched up with a few new coats of Tru-Oil. This bow has no delamination; no cracks. Overlays and tips are in great condition. 2 professionally filled screw holes on the side of the riser that are barely visible except close up (see pic on page 3). No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in near mint condition.

INCLUDES A BRAND NEW STRING.
