### FLORIDA REPRESENTATIVE FOR:

**Continental Disc Corporation** - rupture discs and vent panels, burst disc indicators  
<http://www.contdisc.com/products.html>

**Groth Corporation** - pressure vacuum relief valves, flame arresters, blanket gas regulators, biogas handling equipment  
<http://grothcorp.com>

**Grieve Corporation** - industrial ovens and furnaces, laboratory and bench ovens  
<http://www.grievcorp.com>

**VanLondon Company** - pH, ORP, conductivity and dissolved oxygen electrodes and analyzers  
<http://www.vl-pc.com>

### DISTRIBUTOR FOR:

**Reotemp** - temperature xmtrs, RTDs, thermocouples, thermowells, diaphragm seals  
<http://reotemp.com>

**Remote Controls** - electric and pneumatic actuators for valves and dampers  
<http://rciactuators.com>

**Flotite** - ball and butterfly valves and actuation, limit switches, modulating positioners  
<http://www.flotite.com>      <http://maxsealinc.com/index.php/work>

**Precision Digital** - panel meters and enclosures for process signals  
<https://www.predig.com>

**Dwyer Instruments** - low pressure instruments, PID controllers, level and flow products  
<http://www.dwyer-inst.com/Products/>

**Flomotion Systems** - peristaltic chemical metering pumps & feed systems, flow meters  
<http://flomotionsystems.com/index.php>

**Standard Pump** - drum pumps for corrosive, viscous and sanitary fluids  
<http://www.standardpump.com/>

### RESELLER FOR:

**Krohne** - radar level transmitters, coriolis mass flow and magnetic flow meters  
<http://krohne.com>

**Rosemount** - Absolute, Gauge and DP transmitters  
<http://www2.emersonprocess.com/en-us/brands/rosemount/pressure/pages/index.aspx>
